Company of Introduction

LAICOZY Hotel Supply is a creative company.

Our qualified personal can offer the very best of experience and knowledge regarding an extensive line of products.

Our ambition is to be the confident and competent partner that the hotels need. Our high level of personal service and an honest concern for our customers, enables us to offer that special "extra" that is so valuable.

Our product range includes a large variety of articles in 7 main fields: Lobby Equipment, Restaurant Equipment, Cleaning Equipment, Buffet equipment, textiles, Room furniture, Banqueting furniture and guest amenities.

We have the possibility to supply products that will satisfy our customer's different needs, desires and also their demand for quality and a competitive price level.

Our products are widely appreciated by hotel guests. Not only are they offered products that show concern for t heir wellbeing, but products that tend to the comfort and needs of the guests. This makes the hotel stay pleasant and well remembered!

We set focus on the importance of being an attentive hotel partner as well as being innovative. By empathizing future demands, we can satisfy the hotels' needs for a full service supplier with a extensive range of hotel products.

We look forward to receiving your inquiry!
